

 FAMILY SUPPORT

## **Support for your life issues as well as your legal issues.**

At Umbrella, we understand that when you're separating you need more than just legal advice - we're here to support you through all of the practical and emotional issues that arise as you move into your new life.

Embarking on a new chapter in life can be daunting. Think of us as your trusty sidekick, your biggest supporter, and your go-to guide rolled into one.

In addition to guiding you through the legal issues, if you want us to we will also provide practical and emotional assistance and referrals as needed to take you from overwhelm to order, and share in your triumphs and challenges all free of charge when you become our client.

Let's tackle this path together and pave the way to your fresh start!

### **Some areas where you may need support include, but not limited to:**

Health & Wellbeing, Running your Household. Parenting Support, Career & Business, and Lifestyle.

**Ask your lawyer to arrange a time  
for your complimentary 30-minute  
consultation or book online.**
