

# FINDING YOUR WAY

## LEGAL INFORMATION SESSION FOR COUPLES

We offer couples who are separating an initial information session.

Prior to meeting with you we will gather the basic information about you, your partner, your children and your assets.

### In our meeting we will:

1. Listen to your story - what brings you to this point in your relationship and what are you hoping for next?;
2. Explain options for you to both move forward quickly and cost-effectively:
  - Direct discussion
  - Mediation
  - A lawyer-assisted process
3. Provide you with basic information about the new way the law considers children's arrangements and property settlement
4. Talk to you about what might work for your family
5. Discuss ways to formalise any agreement you reach

What we WON'T do and can't do in that initial meeting is provide either of you with legal advice specific to your individual circumstances.

If one of you would like to engage us we can provide the other of you with the name of a lawyer we know and trust.

When you are ready, feel free to reach out to us on 03 9297 6800 or email [theteam@umbrellafamilylaw.com.au](mailto:theteam@umbrellafamilylaw.com.au) to book an information session.

We're here to help!
